

## Daeja Sanger

Daeja is a very approachable and caring student who knows how to lead with kindness and care for others. A Senior, she is Student Body President of the Upper School at the Park School, and she exudes the meaning of Sisterhood. Daeja goes out of her way to seek opportunities to lend a hand or an empathetic ear to those around her.

Because of her friendly and outgoing personality, Daeja has been chosen to represent Park at various information sessions and to provide tours to prospective students and parents, a role she has done since freshman year. Daeja has been Team Captain of both the Soccer and Lacrosse Teams, and a member of the Bowling Team. In addition to being on the Honor Role, Daeja has been Class President in both her sophomore and junior years, and has helped facilitate bonding activities and charitable events. As a Student Board Member and volunteer for the NFJC of WNY, Daeja has assisted us at various programs and events including the recent Dash for Diversity.

For her passion, concern, and kind spirit, the NFJC is proud to present Daeja Sanger with the Community Leader Youth Award.
