

DesTiny Overton

Confident and outgoing are a few ways to describe this dynamic senior at Mount Mercy Academy. Known for never giving up, DesTiny is passionate about making others feel welcome and always positively contributes to the greater community around her.

In school, DesTiny is a National Honor Society member and a People to People Ambassador Leadership Program member. She has received the President Obama Community Service Award and was inducted into the National Forensics League. Outside of school, her volunteer service list is even longer! She has amassed nearly 800 volunteer service hours for places including Camp Mercy, Lorraine Academy 5K Bully Free Race/Walk, the Center for Hospice and Palliative Care, the University at Buffalo Biomedical Enrichment Program, and the Hauptman Woodard Medical Institute. DesTiny is a leader whose kindness and concerns for others is always paramount. We're confident she will pursue her desire to be in the medical field and work collaboratively towards finding a cure for cancer.

For her consistent and steady compassion, the NFJC is proud to present DesTiny Overton with the Community Leader Youth Award.
