

Josephine Stephens

Jo is a dedicated, outgoing senior at Park School who always seeks opportunities to bridge divides, bring people together, and become involved in her community. She has volunteered in many capacities and is a role model for her peers and younger students.

Jo is an active supporter of the NFJC, and as a Junior Board member is a spokesperson for our mission and ideals. She has assisted us in many of our events, programs, and activities.

Jo received the Chatham University's Rachel Carson Book Award, Clarkson University's High School Leadership Award, and the University of Rochester's George Eastman Young Leaders Award, just to name a few! At school, she is involved in rowing, soccer, and lacrosse, and has been a violinist in the Orchestra for the past 7 years. In her senior year, Jo was elected to the Park School Board of Trustees as a Student Representative giving voice to the students on the school's governing body, a very rare position for a student to hold. Jo also has been a contributor to the NeXT section of the Buffalo News.

A compassionate student who is engaged in her community in so many ways, it is an honor to present Josephine Stevens with the Community Leader Youth Award.
