

## Ryan O'Hara

Mature, responsible, intelligent, outgoing, and genuine are just a few adjectives used to describe Ryan, a senior at Lancaster High School. He has taken various leadership roles in numerous organizations and projects within his school and community. A Student Union Officer, Ryan has co-chaired the Custodial Staff Luncheon, School Locker Registration Program, and he is co-chair of the Student Union Representative Elections, and the High School Open House Program. Because of his problem solving ability and his work ethic, he has been selected to work on many projects as he strives to be inclusive and create the best possible outcomes.

Outside of school Ryan is a volunteer at St. Gabriel's Parish and is a soccer coach with WNY STARS. He also is a youth soccer referee and works as a sales associate at a sporting goods store. In addition, Ryan is a teen volunteer with the Lancaster Youth Bureau.

For his ability to inspire and uplift his school community and for his desire to be inclusive, the NFJC is proud to present Ryan O'Hara with the Community Leader Youth Award.
