ACHIEVING SUCCESS THROUGH DIVERSITY, EQUITY & INCLUSION: The NFJC of WNY, Inc. works with the community to build understanding and an appreciation of our differences and strengths. Founded in 1951, the NFJC of WNY continues to bring people together and push back against racism, bias, and discrimination.

Your sponsorship dollars will help support our many programs that serve both youth and adults. We continued to bring our longstanding programs to the community and have also created new initiatives as well. Your support will allow us to expand our Social Justice Innovation Camp for High School Students out of which we created our Youth Advisory Council allowing for young voices and ideas to be heard. Our Diggin' Into Diversity Program created for grades K-8 and your support will allow us to widen our engagement with even more schools.

As a way to have meaningful conversations we created our successful "Eat and Meets" and have brought this program to college campuses, community centers, businesses, and more. We have extended our reach well beyond the city limits and your support will allow us to continue to offer this and other initiatives as a way to help restore and bring communities together.
