

2020 Community Leader Healthcare Award

Anthony Billittier IV, M.D., [FACEP]

Dr. Billittier has been a positive force for change in the WNY medical community for over thirty years, serving as a physician, a teacher, an administrator, and now Executive VP and Chief Medical Officer for Independent Health. He has dedicated his career to providing the highest quality compassionate care to his patients, ensuring that all WNYers, receive excellent treatment.

Dr. Billittier is responsible for leading all medical management initiatives and for creating outreach so that all members and employers can make informed decisions about their health and wellness needs. Known for his ability to connect with people and collaborate across traditional divides, he has successfully run similar initiatives with Millennium Collaborative Care, ECMC, and was the Founding Dean of D'Youville's School of Health Professions. He is the former Erie County Commissioner of Health, and in addition to being an Associate Professor at both the Jacob's School of Medicine & Biomedical Science and the School of Public Health and Health Professions, he maintains an academic practice at ECMC. In addition, he serves on the Board of HEALTHeLINK, and is the medical director for Elderwood Health Plan as well as Person Centered Services, a collaborative that meets the needs of 17,000 developmentally disabled people in 21 counties.

For his work to provide excellent care to so many, the NFJC proudly recognizes Dr. Anthony Billittier IV with the 2020 Community Leader Healthcare Award.
