

2020 Community Leader Business Award

Colvin Cleaners

Colvin Cleaners is a true WNY success story, one that spans almost one hundred years. Started as a small family-business, the company has employees from countries all over the world, of every background and identity, and at every job position. Invested in our community, they are the only “Green” dry cleaner in our region, using non-toxic, eco-friendly solutions in their machines.

Colvin Cleaners was founded in 1931 by Phil and Angela Billoni. The business has grown over the years to fourteen locations across WNY with the Billoni’s son Paul and his wife Cyndee running the company. The Billonis’ are proud of their diverse workforce and have created advancement initiatives within the company to make sure their leadership team reflects the population of our region. Highly philanthropic, Colvin Cleaners gives to over three hundred local charities, and they run two highly successful clothes donation initiatives, Gowns for Prom and Coats 4Kids.

For the quality of their service and their dedication to the people of WNY, the NFJC is proud to recognize Colvin Cleaners with the 2020 Community Leader Business Award. Accepting this award is Paul Billoni.
