

NFJC Community Heroes

2022 Poster Contest

January 2022

To: All Elementary and Middle School Principals and Art Teachers

From: Rene Petties-Jones, NFJC of WNY President

Subject: The National Federation for Just Communities of WNY, Inc. Community Heroes Awards Poster Contest
Open to students Grades K - 4 and Grades 5 - 8.

The NFJC of WNY, Inc. invites students from Elementary and Middle Schools to participate in this year's Community Heroes Poster Contest. We would appreciate your assistance involving your Art and Classroom teachers in presenting this activity to your students.

The contest theme focuses on our WNY Community Heroes who have made an impact on our community be it due to the pandemic or social justice issues. We encourage students to create pictures that reflect the resiliency of our diverse WNY community, with the hope this will inspire conversations with your students on what it means to be a part of "a just community".

We understand that engaging students has been difficult during these times. The NFJC continues to try tirelessly to reach across all divides, including digital ones by bringing people together to learn from and about one another. What better way than to highlight that than to say thank you to our many diverse community heroes.

Enclosed are the guidelines for the NFJC Poster contest. Winners will be selected and featured at our premier event which will take place virtually this spring (date to be determined). Students will be recognized for their artwork contributions and which will be featured in our online presentation. Last year we received over 18,000 votes for our contest!

Please submit all artwork to the NFJC office either by mail to: 360 Delaware Ave. Suite 106, Buffalo NY 14202, or by email to: programs@nfjcwny.org by no later than February 11, 2022.

If you have any questions feel free to contact our office at (716) 853.9596.
