

2020 Community Leader Youth Award

Stephen M. Weiss

Stephen embodies one of the most important attributes of being a great leader- he listens. Stephen is a very involved senior at Cardinal O'Hara High School. He was the treasurer and now is the President of the Student Body. He is an active listener who welcomes feedback from all students while creating bridges between teachers, administrators, and his fellow students. Stephen is quick to volunteer his leadership skills and is a captain of the Varsity Soccer Team. Outside of school, he volunteers with the Amherst Youth Board and at the Amherst Family room, mentoring younger children and supervising activities. He truly cares about his community and assists his peers whenever needed. He was awarded the Community Service Award for completing over 500 volunteer hours.

His other awards include, the Soccer Coach, Physical Education, and Campus Ministry Awards. He has earned academic awards such as the Presidential Award, the High Honor Roll award, and National Honors Society award for his achievements.

For his compassionate spirit and welcoming demeanor, the NFJC is proud to present Stephen M. Weiss with the 2020 Community Leader Youth Award.
