of Western New York, Inc.

2014 Annual Youth Leadership Conference

**Bullying in Dating :
Violence Awareness, Education & Prevention.**

Break the Cycle

Empowering Youth to End
Domestic Violence

Please join the NFJC of WNY, the Family Justice Center of Erie County, Inc., Crisis Services, and Child and Family Services for a day of education and discussion about how young people can keep themselves safe and protect each other from dating violence. In response to recent events in the national news, the conference will be an exploration of how dating abuse affects everyone and how students can help break the cycle!
